

COUNCIL HIGHLIGHTS

SEPTEMBER 2024

- Our Property Team & Tech Team continue to work together to get the livestream equipment up & running. A consulting firm will be contracted to help with the placement of equipment & upgrading, as needed.
- Approved new meditation booklets for the community of faith.
- Approved a new QR code & email host.
- Approved a new online giving option- Tithe.ly.
- Gift card program will be up & running shortly.
- New flooring has arrived & installation in the Music Director's office and two conference rooms is almost complete. We will be moving items from downstairs into these spaces.
