

Council Highlights – May 16

We will be having a Celebration of the Ministries of Blessed Trinity Lutheran Church at Rosemont on June 23rd. A special worship will be held followed by a picnic on the front lawn with food, a tent, and a bounce house!

The Project Committee met with the architect, Tom Maloney, on Thursday, May 16th. The purpose of the meeting was to establish the basic concept of the atrium and further understand the placement of the elevator in the building. This step will now allow Tom to work up a more detailed rendering of the addition and gives further direction for the initial site plan work.
