## COLLECTION OF PLASTIC LIDS

If you dislike the idea of plastic ending up in landfills, this is the project for you and it will benefit the Boys and Girls Club of Easton. Their collection of 550 lbs. of bottle caps earned them a triangular picnic table; they are continuing the project and we can help.

Beginning on January 5th, bring in your plastic caps from drinks, ketchup, milk jugs, medicine, ointments, detergent, hair spray, toothpaste, deodorant, shampoo, baby food, cottage cheese, mayonnaise, yogurt, cream cheese, peanut butter, ice cream buckets, Cool Whip, coffee cans, butter and Pringles.

No metal caps, or caps from soap pumps, lotion pumps and K-cups are acceptable. Recycling #s 2, 4, 5 are acceptable; #s 1, 3, 6, 7 are not. There will be a collection box on each campus. Start saving your lids now.

It certainly was a cold afternoon - evening for Winterfest 2019. We made the best of it by enjoying the hot chocolate, playing games, eating cookies, listening to the entertainment, and enjoying fellowship. I thank all who were involved in the planning this event. A special thank you to all of the volunteers the day of the event.
