PASTOR JERRY'S MESSAGE

⁴ Then the LORD said to Moses, "I am going to rain bread from heaven for you, and each day the people shall go out and gather enough for that day." Exodus 16:4

Greetings and peace to you all!

Recently, I've been reading, studying, and praying about the story of God delivering the people of Israel from slavery in Egypt. I was thinking about the fact that in a land that was completely dry and barren that God shared water from a rock for the thousands of people who were travelling; then God sent quail into their midst to provide meat for the people, and then God sent "bread from heaven" to help feed and sustain the masses. Quite the miracle!

Then I was thinking about whether or not people still "see" feeding miracles in our world today. "Hmmm.... I thought.... What makes the cornel of corn grow?" Sure the farmer tills and prepares the soil and plants the seed... but what actually makes the seed grow? I'm sure there are horticulturists out there who would be able to explain the science to us.... But quite honestly; I think it's as simple as "God has created the natural laws and orders of this world that make the seed grow!"

If you believe this statement is true, then we experience God's miracles still at work in the midst of our daily lives every time we consume food! My guess however; is that for most of us, we have become so accustomed to having food that we don't necessarily allow ourselves to experience the miracle behind the food.

With the changing of the calendar month comes the changing of seasons. Fall is perhaps my favorite season of the year in Pennsylvania. I adore the brisk air in the mornings and relish the changing colored hues of our trees. Fall is also a time of the year that traditionally farmers complete their fall harvest and the abundance of our land is brought to bear on the world around us. Pumpkin spice coffee, hot apple cider, and pumpkin pies begin to be seen in plenty. My hope and prayer for this month is that you and I might have a greater appreciation for the daily miracles that God provides us

through creation and our agricultural vocations. During this month we will have plenty of opportunities to “bring forth an abundance from our land and dedicate this abundance to advancing God’s reign on earth.” Our monthly food pantry Sunday is planned for the same day that we will be celebrating “Harvest Home Day!” This year “Harvest Home Day” is being united with our annual “Crop walk” which is designed to help raise awareness and funds for those in need of more food. We also begin the task of finding volunteers within our midst to help in our upcoming ministry of helping the Bethlehem Emergency Shelter which provides warm food and sleeping quarters for some of the most susceptible people in our community.

‘Truly I tell you, just as you did it to one of the least of these who are members of my family,^[g] you did it to me.’

Matthew 25:40

Indeed our Lord has provided us with a land capable of feeding the multitudes through the miracles that God places in order each and every day. Let us commit ourselves to bearing witness to these miracles and bringing the joy and the abundance of God’s blessings to this world to those who are in need.

Peace and blessings,
PASTOR JERRY

PET BLESSING

Saturday October 5th, 2019 at 5:00PM the UPG will be hosting our final "Worship on the Lawn" and our annual Pet Blessing Worship on our Light of Christ Campus.

Question; "What do you get when you cross people who are thankful to God for the gift of pets with a weekly Saturday evening worship?"

Join us and invite your friends to join us on the lawn of our Light of Christ campus at an outdoor worship celebration designed to thank God for the gift of Pets! Last year over 60 people joined us for this celebration as together we offered prayers, shared the Holy Meal, and blessed many assorted pets!

If there is inclement weather the worship will be moved to the "Old Fellowship Hall" on our Light of Christ Campus.

Following worship we will be joining another group of our sisters and brothers in Christ in the "New Fellowship Hall" on our Light of Christ campus for a fellowship Meal.

SOC HOP

Saturday October 5th, 2019 at 6:00PM the UPG will be hosting a "Soc Hop!" in the New Fellowship Hall on our Light of Christ Campus!

Join DJ Fred Robertson and many others as we "dance the night away!" Songs from many varied generations and

genre's will fill the air as we celebrate a time of fellowship and fun within our community. People of all ages will find this to be a wonderful time and are welcome to join us!

FAREWELL AND GODSPEED TO OUR CHILD CARE CENTER

On Sunday October 6th, 2019 at 11:00AM the UPG will be celebrating a special worship on our Light of Christ campus specifically designed to thank God for the gift of sharing our Child Care Center with the people of our community for nearly 30 years!

For the first time in nearly 30 years the doors to our child care center did not open to receive new students as the academic school year began. On this day we will remember and give thanks to God for the ministry within our midst that touched the lives of many young people for the past three decades! Join us as we thank God, sing some of our favorite songs, and joyfully welcome many of the students who have graced our child care center hallways with their presence. This worship promises to be a memorable one and our hopes and prayers are that you might join us for this important celebration!

HARVEST HOME CELEBRATION

Our annual Harvest Home Celebration will take place on the weekend of October 12-13, 2019.

During our weekend worship celebrations, all are invited to share some of the abundant resources of food within our midst! Please consider joining us for one of these worship celebrations designed to thank the Lord for sharing with us a land that provides for the needs of so many! Pantry Sunday needs are: Breakfast items (pancake/waffle mix, syrup) canned fruit, canned soup, canned tuna, pasta sauce and Family size juice.

CROP WALK

The 35th annual CROP Hunger Walk will be held on Sunday, October 13 at 1:00 p.m. Sign up as soon as possible to walk with our UPG team. Last year we had 40 participants who raised \$1,655 to fight hunger, poverty, and disaster relief. Check the bulletin board or contact Matt Pizsel (610-216-3567);

THE UNITED PROCLAMATION OF THE GOSPEL FINANCIAL PICTURE

Recently the leadership of the UPG has had many questions regarding the financial stability of our community of faith. Many of these questions seem to have arisen from the congregational letter shared in July of 2019 regarding the assessment of the weekly giving on our St. Peter's campus. The effort to try to be transparent with our community seems to have had an unanticipated result of many people within our community of faith assessing "what one campus possesses" vs "what the other campus possesses."

In response to this, I might suggest that neither campus "possesses" any monies. All the financial assets of the United Proclamation of the Gospel in

TOTAL LIQUID ASSETS:	\$1,375,196.00
TOTAL INCOME RECEIVED YEAR TO DATE:	\$339,052.00
TOTAL DISBURSEMENTS ALLOCATED YEAR TO DATE:	\$356,348.00
NET LOSS YEAR TO DATE:	-\$17,296.00

Bethlehem have been lovingly shared with us by people who at the core of their giving were attempting to advance the kingdom of God in the world in which you and I live. Seen in this light, the financial assets of our community of faith appropriately belong to God and we, all of us, are called to be good stewards of the things that appropriately belong to God. With this in mind we desire to share the following final "snap shot" with you. All figures within this report were accurate as of July 31, 2019. Our hope and prayer is that each person of the United Proclamation of the Gospel is able to see the great abundance that our Lord has shared with our community of faith.

Dear members of the UPG,

This is a special word of thanks to all of the God's Work. Our Hands Team members and UPG members and volunteers who pitched in to provide wonderful outreach to local and global needs at our Day of Service this past September 8th. This event and continued outreach is what the UPG can accomplish when many hands do God's work.

Except for the cemetery clean-up, the activities of our recent Day of Service helped us reach "out" to do

God's work without actually leaving the premises. The proceeds from the bake sale and car wash provided for others' needs at the Bethlehem Emergency Shelter and The Boys and Girls Club. The school kits may find themselves halfway around the world in the hands of a child who will treasure the contents. We made cards to send to our homebound members to let them know they are prayed for and remembered.

Yes – our Day of Service was a beautiful time to do God's Work with Our Hands.

(Continued from page 4)

The God's Work. Our Hands Team is always looking for new members, new ideas to promote and new outreach. We generally meet the 2nd Tuesday evening of every month on alternate campuses. Our next meeting is Tuesday, October 8th, at 7 PM at Light of Christ. You are welcome to join us.

If you have ideas to share, please come to our meeting or speak to any of the following Team members: Kathy Coffin, Joan Erb, Louise Fielding, Jean Finn, Cindy Kemp, Wilma Kolman, Michel Lloyd, Mary Mann, Linda Maule, Gina Nichol, Lois Ritchie, or Leslie Snow. Help us plan how you can do God's Work with Your Hands.

Yours in Christ,
DEACON LINDA MAULE

GOD'S WORK. OUR HANDS TEAM

Thank you to the members of the GWOH team and UPG volunteers and members who made our September 8th Day of Service a resounding success. These are the results of our UPG commitment to do "God's Work with Our Hands."

The bake sale provided over \$367 to support the Bethlehem Emergency Shelter.

The car wash to benefit The Boys and Girls Club brought in \$111.

Beautiful hand made greeting cards will be sent to each homebound UPG member.

Fountain Hill Cemetery was weeded and cleaned.

Twenty-five school kits were assembled for Lutheran World Relief.

The luncheon following worship provided a wonderful time of fellowship for everyone.

Each person who attended worship was sent out with a prayer stone reminder to pray at 9:08 AM, 9:08 PM or whenever you want to talk to God.

CHRISTMAS INGATHERING

Ingathering Kits

The UPG has committed to providing 175 bars of soap and 175 washcloths for the 2019 Easton/Bethlehem Mission District Ingathering. There are receptacles at both campuses for your contributions. Please help us to meet our goal and even more. Thanks for your faithful support.

MUSIC MINISTRY

Reformation Day Service – Sunday, October 27th at 9:30 AM at Light of Christ. The service will feature The Little Brass Band of the Lehigh Valley and a combined choir. We will celebrate with words of scripture, an inspired sermon, glorious hymns and a choir anthem followed by the best part - a banquet meal of life-giving bread and wine. Come and worship!

St. Peter's choir members will join with Light of Christ's choir members to sing a special choir anthem. If you would like to join the choir for a short-term commitment, this opportunity is for you. Rehearsals are held on both campuses at 7:30 PM on Wednesday evenings. Come and sing!

WILL YOU ACCEPT THE CHALLENGE?

IT'S SIMPLE!

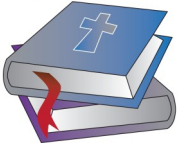

Thrivent is partnering with Ronald McDonald House, challenging churches to help reach the goal of collecting 10 million pop tops. You know those little tabs on soda cans? Safely rip off the tabs from the cans and bring them into church. There will be containers on both campuses from October 1 until December 3. Do you accept

Dear friends,

We hope you will join us on October 6, 2019 at 11:00a.m. at LOC for a special service of celebration of our preschool. We will be celebrating the friendships formed, the lessons learned and the love of God that has been shared with the children, their families and our staff. The service will include the children's favorite songs, a special children's message and the voices of two of our former students, telling us what the preschool has meant to them. Following the service, a light luncheon will be held. We hope you will join us in our celebration!! NOTE: There is no charge for the luncheon. As support to those in need, we ask that you please bring a non-perishable food item to the service which will be given to a local food bank. Thank you!!

We thank Cliff Bengston and Thrivent Financial for the Action Team Grant that will support this event. We are very appreciative and thankful!!

Please also consider registering your Giant Bonus Card for Lincoln Elementary School now that our preschool has been removed from the program. We selected Lincoln, a Community School, for their programs which support children of diverse financial backgrounds. Their students will greatly benefit by the help we give them through this program.

By registering your bonus card number Lincoln can accumulate points and be given a monetary dona-

tion from Giant based upon the number of points attained. These points do not take away from your personal bonus points. To register go to this web address <http://giantfoodstores.com/aplus/register-card/>. Their school ID number is 23367. You will continue to receive your personal bonus points even when you register for this program. You may designate 2 schools to receive points. Thank you for your help!

Women's Bible Studies

WOMEN'S BIBLE STUDY GATHERINGS

On Tuesday, October 1 & 15, women of the UPG will gather on the St. Peter's Campus from 9:30 to 11 AM, in the Social Room. Come to the door off the parking lot and ring the church doorbell and Kelly will let you in, the Social Room is on the left. The coffee, tea, and some snacks will be ready for you as well as a chair around the table.

As the study from Gather, the Women of the ELCA magazine, continues to look at being angry at God during times of our lives, this month grief and how to express it in times of great emotion is the focus. God is able to handle any anger God's people might have. God also knows that grief from any kind of loss also brings out great emotion.

How do the children of God deal with the powerful feelings of grief? What do the Psalms and other Scripture tell God's children about how to grieve? Each of us has experienced anger and grief. Come together with other UPG women to study, consider, and pray about how to live faithfully during times of great emotion.

BLANKET MAKING FOR THOSE IN NEED OF WARMTH & COMFORT

We've all seen the destruction that the Islands of the Bahama's have suffered after the passing through of hurricane Dorian! What can we do to help in such devastation? Lutherans have the opportunity to respond in several ways: praying for the survivors, the rescue workers, and those coming to help rebuild homes and lives; giving monetary donations to Lutheran Disaster Response; making School Kits during God's Work-Our Hands Sunday; helping to make Lutheran World Relief blankets that provide warmth, comfort, shelter, and love to those who receive them.

Everyone can help in the making of these blankets. If you are available, come on Tuesday, October 15, from 11:30 AM to 1 PM in the Social Room on the St. Peter's campus. Putting together blankets takes no previous blanket making experience! There are many tops/bottoms and filler to be put together. Other skills needed are fabric cutting, ironing, sewing squares together, which can be done at home if you'd like, and tying knots to keep the three layers together. This process goes quickly with lots of hands helping, so please, consider doing some blanket making this month. Keep the people of the Bahama's in your prayers as well.

If you would like to help, but can't come on the 15th, be in touch with Elizabeth Eterich or Louise Fielding to work out details of working from home or another time to gather.

UPG CRAFTERS' NIGHT

Bring your energy and your supplies and join other Crafters on Monday, October 21, from 6:30 to 8 PM on the St. Peter's campus. Come to the Parking lot door or the main

CE door and ring the Church doorbell and someone will let you in. Crafters' meet on Level 1 in the UCF room. There are many chairs and a large table for your project work. Bring whatever craft

project you are working on and enjoy an evening with others who enjoy crafting. This is a quiet time set apart from other busyness to enjoy each other's company, craft ideas, and conversation. Hope you'll come for this Crafters' Night!

NEW BETHANY MINISTRIES' SOUPER DAY!!!

Many members and friends of the UPG have been helping New Bethany Ministries in a variety of ways for years. Some work at the Thrift Shop sorting items, helping customers with shopping, and keeping the shop looking inviting. Others have prepared and served the noon meal at the Meal Center. Many people of the UPG have provided food items for the NBM Food Bank. Here is another way to support NBM—COME to the NBM Souper Day at Blue Receptions Center on Tuesday, October 15, at Noon. Arrive early to get a good parking space!!

Tickets are required. ALL the \$ raised by the sale of the tickets, goes to NBM for the Meal Center. The Blue provides the soup/salad/beverage and their staff time as a donation to NBM. Elizabeth Eterich will have the tickets for sale as soon as they are available.

It would be wonderful to fill a UPG table (8people/table) or two this year, as another way for the UPG to support NBM.

Dear Friends of Northeast Community Center,

On behalf of the Staff at Northeast Community Center, formerly known as Northeast Ministry, thank you so much for your generous donation of food to our food pantry!

Marvine-Pembroke is home to over 2,000 residents, all of whom are at or below the poverty level. During the month of June, the pantry served 204 families, consisting of 262 adults, 218 children, and 111 senior citizens. There were 15 new families who accessed the pantry in June. Families accessing the pantry receive items such as canned goods and non-perishables, as well as refrigerated items such as fresh eggs, juice, produce and lunch meats.

We are so grateful for your continuous support! Thank you for believing in our mission. Your generosity truly makes a difference.

With Sincere Gratitude,
Grace Young

Dear members of the UPG,

I am a kindergarten teacher in Bethlehem and was in awe of the generosity that those of you in the UPG portrayed. THANK YOU very much for the school supplies you donated! Many children will appreciate your kindness and thoughtfulness. I am grateful.

I have been so blessed to have you all in my life. I'm not sure where to begin with the thank yous! I was injured on May 28th. After hospitalization, acute inpatient rehab, and in-home rehab, I have been released to outpatient physical therapy. This will take approximately 8 weeks per my therapist; but should be the last leg of my journey (no pun intended).

Special thank-yous are given to: Pastor Jerry, Pastor Garbe, Linda Maule, Rosalie Adducie, Karen Favinger, Lou Dravec, Donna Mussleman, Nancy Seidenberger.

Thank you to everyone at L.O.C. from the bottom of my heart for the hospital visits, home visits, communion visits, phone calls, texts, and cards. You have held my hand, pushed and pulled me along, and lifted me up in prayer. You have been my light in the darkness for sure!
